NUY WINERY

Nuy Winery is situated in the Nuy Valley at the foot of the Langeberg Mountains in the Western Cape. Average rainfall is low, but the Keerom Dam ensures a year-round water supply. During winter and spring, temperatures remain quite low, thanks to the periodic snow on the mountains. This promotes slower growth of the grapes and results in healthy, flavourful fruit.

This wine offers a lively freshness that perfectly balances its fruitiness. Prominent aromas of gooseberry, green fig, lime, and green apple are followed by a refreshing finish.

A pleasant, fruity wine with prominent aromas of granadilla, guava, stone fruit, and lychee. The complex aromas lead to a lingering finish of pear and citrus notes on the palate. A delightful, versatile wine to enjoy every day with friends.

A full-bodied wine with a deep ruby-red colour and aromas of blackcurrant and dark cherry, an a subtle hint of black pepper. On the palate, smooth tannins that create harmony, balance, and depth.

A delicate pink hue with fine, lively bubbles. This wine offers a semi-sweet palate layered with flavours of rose petals and white Turkish delight. The gentle fizz rounds off a crisp, clean finish.

Pléklyn Rosé is a dry rosé wine with a deep salmon colour and inviting aromas of strawberries and blackberries, complemented by subtle hints of Pink Lady apple. Palate is fruit-forward with a well-balanced acidity that lingers in a long, refreshing finish.

A full-bodied, characterful Pinotage with intense red berry and coffee aromas that entice the senses. On the palate, it is rounded off by sweet, ripe berries, a touch of vanilla, and warm spice.
